Franklin County Extension Activities September 21 – October 4, 2016

General Extension Activities:

- Extension Director attended annual Extension Professional's Association meeting in Daytona Beach for program sharing and planning with statewide network of Extension colleagues.
- Extension Staff assisted homeowners with information pertaining to storm erosion of property and yard weeds.
- Extension office recruiting for participation in a "waterschool" program that will focus on issues related to the Apalachicola River and Bay for October 21. Program will involve a morning session with presentations and an afternoon paddling trip on the River.
- Extension office reaching out to local schools to participate in the annual Peanut Butter Challenge. All peanut butter collected is matched by peanut producers, then donated to local food pantries.

Sea Grant Extension:

- Extension Director partnered with Gulf County Extension to host a booth at the annual Scallop Festival in Port St. Joe. Information about the work of Sea Grant and Extension was shared with the public.
- Sea turtle lighting equipment continues to be distributed to beachfront property owners in the County under the year 2 budget.
- Extension Director provided a presentation at the EPAF conference about Franklin County's sea turtle lighting project work.

4-H Youth Development:

- Over 60 Franklin County students and parents attended the NW Extension District's "4-H Ag Adventure Day" hosted at the North Florida Research and Education Center in Quincy. The Extension Director taught a portion of the field day about the importance of agricultural crops and the processes involved for farmers to produce what we eat.
- Franklin County's Making Strides 4-H club continues to meet.

Family Consumer Sciences:

- Family Nutrition Program Assistant back to conducting nutrition programs local schools.

Agriculture/Horticulture:

- Extension Director partnered with the Wakulla County Extension Director to provide a presentation at the EPAF conference about an effort at St. Teresa Beach to eliminate a significant patch of cogon grass impacting native habitats of 5 property owners.
