Report to Board of County Commissioners

Date: September 20, 2016

Action Items:
NONE

Information Items:

1. Franklin County EOC Staff continue to promote our Re-Entry Tag program and encourage all residents to apply for their Re-Entry Tag.
2. September 13th FCEOC hosted the final planning meeting for the Communications Exercise.
3. September 7th FCEM Hosted its Hot Wash for Hurricane Hermine.

Pamela Brownell

Pamela Brownell
Director

Franklin County Extension Activities September 7 – September 20, 2016**General Extension Activities:**

- Extension Director attended an Invasive Species workshop hosted by the Apalachicola Reserve and the Apalachicola Regional Stewardship Alliance focused on invasive animal and plant issues for North Florida ecosystems.
- Extension Staff assisted homeowners with information pertaining to yard weeds, storm wrack deposition, property records for the County, and leave no trace issues.
- Paving has been completed for the parking area and road at the Mill Pond facility.

Sea Grant Extension:

- Extension Director hosted a booth to represent Franklin County Extension/Florida Sea Grant at the Tallahassee Science Festival at Lake Ella. Approximately 5,000 people were in attendance at the event.
- Sea turtle lighting equipment continues to be distributed to beachfront property owners in the County under the year 2 budget. Year 3 budget for this project has been approved but we will wait until we are closer to the end of year 2 before executing the year 3 amendment.
- Extension Director visited with two of Franklin County's aquaculture oyster growers in the field on their Alligator Harbor leases to learn more about their work. This also provided an opportunity for Dr. Hui Ping Yang, a UF Researcher who runs a shellfish research lab on campus to make a connection for possible future work.

4-H Youth Development:

- Students from the ABC and First Baptist schools will be attending the NW Extension District's "4-H Ag Adventure Day" hosted at the North Florida Research and Education Center in Quincy. The Extension Director is teaching the portion of the field day focused on peanuts as an agricultural crop. Over 60 students and parents will be attending.
- Franklin County's Making Strides 4-H club continues to meet.
- Extension Staff handing out t-shirts to youth who attended 4-H summer camp this year.

Family Consumer Sciences:

- Family Nutrition Program Assistant back to conducting nutrition programs with 4th grade children in local schools.

Agriculture/Horticulture:

- Extension Director met with the Forgotten Coast Conservation Corps to explain the procedures for the restricted pesticide core exam that will be administered for the group during October. This will provide a base certification that they may add to with various areas of specialization as a job skills-building opportunity.
- Wakulla Co. Extension Director provided a fall gardening program at the Eastpoint branch of the library. There were 25 participants in attendance.

FCPL Director's Report
September 20 , 2016
BOCC Meeting

From: Tonia Chisholm, FCPL Carrabelle Branch Manager

Sent: Tuesday, September 14, 2016

To: Franklin County Board of County Commissioners

Subject: FCPL Carrabelle branch September 2016 report

1. The Fall Garden Workshop on Tuesday, September 13 was well attended by 22 patrons who were educated on successfully preparing, growing and maintaining a productive fall garden in the Florida panhandle by Wakulla County extension office director, Les Harrison. There will be a garden workshop at the Carrabelle branch the first Tuesday of each month at 1:30pm. As with all library programs, this program is free and open to the public.
2. A representative from **American Legion Post 82 of Lanark** is at the library this morning (Tuesday, Sep 20) handing out information on the many local and national services and programs that the American Legion offers and also how to become a member. The American Legion is the nation's largest wartime veteran's service organization, committed to mentoring youth and sponsorship of wholesome programs in our communities, advocating patriotism and honor, promoting strong national security, and continued devotion to our fellow service members and veterans. Camp Gordon Johnston Post 82 in Lanark Village sponsors and supports several community programs such as:
 - Assisting veterans with information about disability claims and other services.
 - The American Legion Boys State Program where students attend a comprehensive one week course in state and local government in Tallahassee.
 - Helping local charities like Tonya's Hope which raises funds to assist local cancer victims with household and travel expenses.
 - They are a major distribution point for Farm Share; distributing fresh and nutritious food every Wednesday to those who need it most.

In January, 2015, District 2 Commander Willie Jackson presented the post with the Post Excellence Award for the 2013-14 year. Post 82 was the only American Legion Post in the state of Florida to receive the award last year.

3. Yoga is now available on Tuesday's as well as Monday's, Wednesday's and Friday's at 4:00-5:30pm.
 - The Bite for a Book Program for the library with the assistance from the Friends of the Library has a new sponsor from Apalachicola, the Pink Pig Pizzeria. William and Pauline Colon owners of the restaurant were happy to join the two local sponsors currently participating, including Hog Wild BBQ from Carrabelle and the Red Pirate of Eastpoint. The newly re-named Margaret Key Municipal Library will continue to partner with

Franklin County Public Library to offer all Franklin County students the opportunity to reach reading goals set by their teachers and receive a certificate for a free child's meal at one of the participating restaurants.

- Music as a Second Language will start sign-ups at both branches in Eastpoint and Carrabelle beginning on Monday September 19th to September 24th. Parents can sign their student up to receive lessons either in acoustic guitar, electric guitar, drum or vocal lessons. The Ilse Newell group has asked if the Franklin County Library would be a partner for the 2016 -2017 season. After the sign up week, families will be contacted for an interview to explain the program and how it works. The library is willing to accept piano keyboards that are in very good condition.
- The 8 to 12 year olds in Eastpoint have been working on creating a library movie with the use of the iPads received from our library grant. This is through the weekly STEAM program that offers opportunities for this age group to explore technology and creativity in many ways. They meet for an hour every Thursday at 3:30 pm.
- On Monday, September 19th, Les Harrison of the Wakulla Extension Agency will be offering a workshop for landscaping for Fall and Winter at 1:30 pm, at the Eastpoint Branch.
- The Franklin County Public Library has two branches with 4.5 employees. At times it is extremely hard when a staff person is ill or needs to leave the library for an appointment. My plan is to split as close to half of my hours to be available at the Carrabelle Branch. It is unusual for a library director to be facilitating programs as I have been doing at both branches. I may have to revisit my decision to act as programmer.

FRANKLIN COUNTY
ADVISORY BOARD OF ADJUSTMENT
CONSENT AGENDA
September 20, 2016 10:00 A.M.

- 1 Consideration of a variance request to construct a rip rap revetment landward of mean high water on property described as 310 Seafoam Circle, also known as Lot 70, Summer Camp West, Franklin County, Florida. The property is owned by 310 Seafoam, LLC c/o Matthew Gleason. The request is submitted by Garlic Environmental Associates, Inc., agent for the home owners.**

BOA Recommends approval of this request as stipulated in order to prevent further erosion and to protect the foundation of the existing dwelling.

- 2. Consideration of a request for Beach Re-nourishment within the Critical Habitat Zone on property described as 109 South Bayshore Drive, Eastpoint, Franklin County, Florida. The property is owned by Tony Garcia. The request is submitted by Garlick Environmental Associates, Inc., agent for the home owner.**

BOA recommends approval of this beach re-nourishment request with the stipulation that the graded slope of less than 1 to 5 be maintained and the sand be of same size and color as existing beach sand.

THE BOARD OF COUNTY COMMISSIONERS ACTING AS THE BOARD OF ADJUSTMENT WILL ADDRESS THIS REQUEST AT THEIR REGULAR MEETING ON September 20, 2016 AT 9:00 A.M.

Flood information

Flood Zone Information

Geographic Entity
 Location of Interest
 Parcel

Effective Flood Zone
VE
VE:27% AE:73%

Base Flood Elevation*

12.0ft - 15.0ft
 (Effective BFE)

*The computed elevation to which floodwater is anticipated to rise during the base flood (100 Year Flood). Base Flood Elevations (BFEs) are shown on Flood Insurance Rate Maps (FIRMs) and on the flood profiles. The BFE is the regulatory requirement for the elevation or floodproofing of structures. The relationship between the BFE and a structure's elevation determines the flood insurance premium. Datum of measurement is **NAVD1988**.

Legend

Location of Interest

Parcel Outline

GLOSSARY

Zone AE: An area inundated by 100-year flooding, for which BFEs have been determined.

Disclaimer

Although derived directly from a variety of sources, including the Federal Emergency Management Agency's (FEMA's) Flood Insurance Rate Maps (FIRMs), the District's digital elevation model, the counties' digital parcel maps and data from other governmental sources, the data provided through this portal is for informational purposes only. The user is advised to be aware that for flood insurance or regulatory determinations, or for supporting an application for a Letter of Map Change (LOMC), only the official and latest FEMA FIRM and Flood Insurance Study (FIS) report should be consulted. Also,
