

Remind your community -- "Don't panic, prepare."

Coronavirus continues to be a major health concern in the US. In these uncertain times, preparing for emergencies offers a great way to reduce anxiety and give people some peace of mind. Our [new COVID-19 pamphlet](#) focuses on providing the public with up-to-date facts about the virus and necessary, basic steps people should take to prevent its spread. We also offer **research-based, accurate publications** to help prepare people to handle the COVID-19 pandemic. **Take a look today.**

NEW!

Coronavirus Disease 2019 (COVID-19) -- Staying Informed And Being Prepared (CBC1648) raises awareness of COVID-19 symptoms, explains how to protect oneself from infection, and highlights what's being done to contain its spread. In clear terms, pamphlet:

- details the implications of a pandemic
- urges readers to pay attention to travel warnings and other health alerts
- promotes staying prepared for any disruptions the emergency may cause
- encourages those who may be sick to seek help from a medical professional.

An ideal way to educate community members and ease fears about COVID-19. 8 panels, 3 1/2" x 8"

NEW! A useful germ-fighter with an upbeat reminder!

Sanitize Often Antibacterial Hand Sanitizer (CBC1649) helps people fight germs and stop them from spreading. This citrus-scented antibacterial gel includes a visible reminder to use often to help prevent illness, and its compact size makes it a great option for people to have on hand wherever people go! 1 oz. Meets FDA standards. 1-1/2" W x 2-5/8" H. **Due to high demand, please call (800) 477-4776 for orders of more than 500 units.**

An Emergency Supply Kit - What To Have (CBC0322)

This easy-to-read pamphlet, with text in both English and Spanish, tells readers that a key to disaster preparedness is having an emergency supply kit on hand. Pamphlet offers:

- details on how to assemble a kit
- tips on keeping it in good condition
- sources of additional information.

5 panels in English, 5 panels in Spanish, 3 1/2" x 8"

Your Emergency Supply Kit -- Keeping Tabs On Getting Ready (CBC1271)

This tabbed quick-reference guide underscores the importance of preparing an emergency supply kit. It covers what to put in a general-purpose emergency kit and how to store supplies. Also:

- details first aid kits and portable emergency supply kits
- includes space for writing in important emergency phone numbers.

Tabbed table of contents lets readers flip right to the information they need. Available in Spanish. 16 pages, 3 1/2" x 6"
