SITE PLAN & CONSTRUCTION STANDARDS:

- I understand that applications for dock or piers must contain a survey prepared by a professional surveyor which indicates riparian rights, unless the dock is built at least 25 feet from existing property lines. INITIAL: _____
- I understand that Docks built on canals are permitted to be no larger than 25% of the width of the canal including the boat mooring site. INITIAL: _____
- I understand that the lot must be large enough to accommodate a single-family dwelling; or be a lot separated from the single family dwelling by a right-of-way and owned by the same owner; or the lot may be eligible for a hardship variance from the Board of Adjustment. INITIAL: _____
- I understand that no dry dock facilities, gasoline or fuel pumps are allowed on a residential lot other than boat lifts connected to a dock. INITIAL: _____
- I understand that boat ramps may be allowed so long as the property contains adequate size for the parking of trailers on the property. No commercial boat docking or launching allowed. INITIAL: _____
- I understand that no parking of vehicles is allowed within the Critical Habitat Zone, which is the first 50 feet from mean high water. INITIAL: _____
- I understand that the lot must be kept in natural vegetation within the Critical Habitat Zone. INITIAL: _____
- I understand that I must comply with the permitting requirements for all other governmental agencies having jurisdiction over the project. (Evidence of an exemption from such compliance must be furnished by the homeowner before approval can be granted. INITIAL: _____
- I understand that the dock must be elevated a minimum of five (5) feet above mean high water, except that the terminal platform may be lower at the owner's discretion. This requirement shall not apply to docks running parallel to the shoreline provided they extend no further than 25 feet from the edge of the water. (*This will allow pedestrians to cross under the dock at the water's edge) INITIAL: _____

- I understand that the dock must be constructed on pilings set a minimum of eight (8) feet apart center to center. INITIAL: _____
- I understand that no dusk to dawn lights. Must be able to switch off or on by motion detector, or be activated by a 3-way switch. INITIAL: _____
- I understand that lights limited to one on the terminal platform and one on the landward end of the dock or pier, and one every 100 feet between the terminal platform and the landward end of the dock, except where a hardship exists. INITIAL: _____
- I understand that all lights must be downward directed and have adequate shielding to prevent light trespass and minimize light pollution from light scatter. INITIAL: _____
- I understand the type and location of fixtures must be included on a diagram of dock or pier and submitted with permit application. INITIAL: _____
- I understand that the dock must have amber colored night time reflectors set at a minimum of one at each side in the middle and one at each side of the terminal. INITIAL: _____

I have read and understood that construction and lighting standards of the Franklin County Dock Ordinance No. 2004-17 and will practice these standards.
