

CANCELLED - FRANKLIN COUNTY BOARD OF COUNTY COMMISSIONERS WORKSHOP
COURTHOUSE ANNEX, COMMISSION MEETING ROOM

APRIL 14, 2021

6:00 PM

AGENDA

The Board of County Commissioners asks that all cell phones are turned off or placed on silent (vibrate) mode.

On Tuesday, April 6, 2021, the Franklin County Board of County Commissioners (BOCC), scheduled a Workshop to discuss the location for the proposed new Airport fuel farm. Upon further staff research, it has been determined that the new access road was used as a match in the TRIUMPH application for the new fuel farm funding. Because of this matching requirement, the fuel farm must be constructed at the same location of the current fuel farm. This location is referred to as Alternative Site #2 on the attached drawing. **The Workshop has been cancelled and any discussion regarding the location of the fuel farm may occur at the April 20, 2021 regular meeting.**

If you need additional information regarding this matter contact Mr. Michael Morón, County Coordinator, at (850) 653-9783 ext 155 or at michael@franklincountyflorida.com.
